EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 46, on line 1; change "431" to -- 43 --.

This examiner's amendment corrects an apparent typographical error in claim 46.

End of examiner's amendment.

2. Examiner's comments

The previously mailed Notice of allowability omitted the indication of claims 53-57 from the allowed claims because of a typographical error. Thus supplementary Notice of allowability corrects the error by listing claims 43-57 as the allowed claims.
